

VEHICLE MANUFACTURER PROGRAM HANDBOOK

APPLICATION REQUIREMENTS FOR VEHICLE MANUFACTURER LICENSE

PURPOSE

The purpose of this pamphlet is to assist the prospective manufacturer by describing the requirements to obtain a vehicle manufacturer license from the Department of Motor Vehicles (DMV).

WHAT IS A MANUFACTURER?

A “**vehicle manufacturer**” is any person who produces from raw materials or new basic components a vehicle of a type subject to registration under the California Vehicle Code or off highway motorcycles subject to identification under California Vehicle Code or who permanently alters new commercial vehicles by conversion into housecars. *CVC Sections 672 and 11700 et seq.*

BACKGROUND INVESTIGATION

A background investigation is conducted on all applicants. Failure to disclose convictions or providing incorrect information on the application may result in the refusal or denial of your license. The department may refuse to issue a license to any applicant who has been convicted of a crime or committed any act or engaged in any conduct involving moral turpitude which is substantially related to the qualifications or duties of the licensed activity. A conviction based on plea of nolo contendere is a conviction within the meaning of this section. *CVC Sections 11703, 11703(c), 11705(a)(1)*. Persons previously working under a license issued by DMV, which was revoked or suspended for cause may also be denied a license. In addition, the California Code of Regulations (CCR) and other sections of the California Vehicle Code provides guidelines used by the department in determining whether a license should be issued. *CCR, Title 13, Chapter 1.*

What is the New Motor Vehicle Board Function?

The New Motor Vehicle Board (NMVB) accepts and arbitrates protests submitted by dealers on franchise termination, territory infringements and other disputes between the dealer and manufacturer. The NMVB also hears and considers appeals presented by dealers from a decision rendered by the department.

CVC Sections 3000 et seq.

Who is the New Motor Vehicle Board?

The Board consists of nine members. Four of the appointed members are new motor vehicle dealers, engaged in business for a period of not less than five years preceding their appointment. The remaining five appointed members are public members not affiliated with any licensed dealer.

What is live scan fingerprinting?

Live Scan is inkless electronic fingerprinting. The fingerprints are electronically transmitted to the Department of Justice (DOJ) for completion of a criminal record check.

Who is affected by it?

Anyone applying for the first time to be licensed as a vehicle salesperson, dealer, driving instructor or any other vehicle industry related occupation licensed by DMV will be live scan fingerprinted. It also applies to first time applicants for an ambulance driver certificate.

Why “Live Scan” fingerprinting?

As a result of legislation in late 1997, DOJ has developed an automated background check process that requires digitized fingerprints (“Live Scan”). Beginning January 1, 2000, DOJ has asked that fingerprints be submitted by Live Scan rather than hard copy fingerprint cards. Digitizing the fingerprints enables the electronic transfer of the fingerprint image data along with personal descriptor information to computers at the DOJ in a matter of seconds, instead of the days required to send hard copy fingerprint cards through the mail. DOJ’s goal is to process 95% of the digitized fingerprints within 3 days.

When does it start?

Live scan fingerprinting for DMV applicants will start January 1, 2000.

What is the cost to be live scan fingerprinted?

The live scan fingerprinting service fee varies from about \$5 to \$20. The cost to electronically fingerprint the applicant is determined by the local live scan agency. According to DOJ, they can charge a fee sufficient to recover their costs. The \$32 DOJ criminal record check fee is also collected at the live scan site.

What will the applicant need to do to be live scan fingerprinted?

The applicant can call the local police or sheriff’s department to find their local Live Scan sites that are open to the general public. The applicant can also call the department’s Occupational Licensing offices in Sacramento (916) 657-6621 or Los Angeles (213) 744-7563 and be mailed the department’s live scan request form. A sample of the department’s live scan form can be found on the Internet. If the licensee does not use the department’s live scan form, it is suggested that he/she take a sample of the form with them to ensure the live scan has all the information needed for transmitting the data to Occupational Licensing.

Note: the applicant must go to a Live Scan site to be Live Scan fingerprinted before applying for an occupational license at DMV. If you have held an Occupational License issued by DMV in the past 3 years, you may not require a new set of prints.

Where are the live scan sites?

There are more than 130 live scan sites throughout the state. A current list of DOJ's Live Scan stations is available through DOJ's internet web page. The internet address is:

<http://caag.state.ca.us/app/contact.pdf>

Or, you may call your local police or sheriff's department for the nearest Live Scan station that is available to the general public.

What are the benefits of Live Scan?

Live Scan will avoid many of the problems associated with ink prints, such as smudging, smearing, and over or under inking. A major benefit of Live Scan is in processing speed since nearly all of those without criminal records are done within 3 days. Rolled ink prints (traditionally submitted on a fingerprint card) can take 10 to 12 days to process and up to 60 days if there is a criminal record.

“NO COOLING-OFF PERIOD”

California law does not provide for a “cooling-off” or other cancellation period for vehicle lease or purchase contracts. Therefore, you cannot later cancel such a contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign a motor vehicle purchase or lease contract, it may only be canceled with the agreement of the seller or lessor or for legal cause, such as fraud.”

Bond; Service of Process

11710. (a) Before any dealer's or remanufacturer's license is issued or renewed by the department to any applicant therefor, the applicant shall procure and file with the department a bond executed by an admitted surety insurer, approved as to form by the Attorney General, and conditioned that the applicant shall not practice any fraud or make any fraudulent representation which will cause a monetary loss to a purchaser, seller, financing agency, or governmental agency.

(b) A dealer bond shall be in the amount of ten thousand dollars (\$10,000). A dealer holding a dealer's license that was issued before July 1, 1990, that does not expire until 1990 or 1991, which has a bond in the amount of five thousand dollars (\$5,000) on file with the department, and whose license and bond remain continuously in full force and effect until the expiration of the license in 1990 or 1991, may continue to conduct business until that expiration date. Before the license is renewed by the department, the dealer shall procure and file a bond in the amount of ten thousand dollars (\$10,000). A remanufacturer bond shall be in the amount of twenty-five thousand dollars (\$25,000).

- (c) Liability under the bond is to remain at full value. If the amount of liability under the bond is decreased or there is outstanding a final court judgment for which the dealer or remanufacturer and sureties are liable, the dealer's or remanufacturer's license shall be automatically suspended. In order to reinstate the license and special plates, the licensee shall either file an additional bond or restore the bond on file to the original amount, or shall terminate the outstanding judgment for which the dealer or remanufacturer and sureties are liable.
- (d) A dealer's or remanufacturer's license, or renewal of the license, shall not be issued to any applicant therefor, unless and until the applicant files with the department a good and sufficient instrument, in writing, in which the applicant appoints the director as the true and lawful agent of the applicant upon whom all process may be served in any action, or actions, which may thereafter be commenced against the applicant, arising out of any claim for damages suffered by any firm, person, association, or corporation, by reason of the violation of the applicant of any of the terms and provisions of this code or any condition of the dealer's or remanufacturer's bond. The applicant shall stipulate and agree in the appointment that any process directed to the applicant, when personal service of process upon the applicant cannot be made in this state after due diligence and, in such a case, is served upon the director or, in the event of the director's absence from the office, upon any employee in charge of the office of the director, shall be of the same legal force and effect as if served upon the applicant personally. The applicant shall further stipulate and agree, in writing, that the agency created by the appointment shall continue for and during the period covered by any license that may be issued and so long thereafter as the applicant may be made to answer in damages for a violation of this code or any condition of the bond. The instrument appointing the director as the agent for the applicant for service of process shall be acknowledged by the applicant before a notary public. In any case where the licensee is served with process by service upon the director, one copy of the summons and complaint shall be left with the director or in the director's office in Sacramento or mailed to the office of the director in Sacramento. A fee of five dollars (\$5) shall also be paid to the director at the time of service of the copy of the summons and complaint. Service on the director shall be a sufficient service on the licensee if a notice of service and a copy of the summons and complaint are immediately sent by registered mail by the plaintiff or the plaintiff's attorney to the licensee. A copy of the summons and complaint shall also be mailed by the plaintiff or the plaintiff's attorney to the surety on the applicant's bond at the address of the surety given in the bond, postpaid and registered with request for return receipt. The director shall keep a record of all process so served upon the director, which record shall show the day and hour of service and shall retain the summons and complaint so served on file. Where the licensee is served with process by service upon the director, the licensee shall have and be allowed 30 days from and after the service within which to answer any complaint or other pleading which may be filed in the cause. However, for purposes of venue, where the licensee is served with process by service upon the director, the service is deemed to have been made upon the licensee in the county in which the licensee has or last had an established place of business.

Amended Ch. 622, Stats. 1989. Effective January 1, 1990.

Return of Cash Deposit

11710.2. If a deposit is given instead of the bond required by Section 11710 both of the following apply:

- (a) The director may order the deposit returned at the expiration of three years from the date an applicant for a dealer's license who has operated a business of selling vehicles under a temporary permit has ceased to do business, or three years from the date a licensee has ceased to be licensed, if the director is satisfied that there are no outstanding claims against the deposit. A judge of a municipal or superior court may order the return of the deposit prior to the expiration of three years upon evidence satisfactory to the judge that there are no outstanding claims against the deposit.
- (b) If either the director, department, or state is a defendant in any action instituted to recover all or any part of the deposit, or any action is instituted by the director, department, or state to determine those entitled to any part of the deposit, the director, department, or state shall be paid reasonable attorney fees and costs from the deposit. Costs shall include those administrative costs incurred in processing claims against the deposit.

Amended Ch. 216, Stats. 1990. Effective January 1, 1991.

(b) If the state or any political subdivision thereof shall suffer any loss or damage by reason of any fraud practiced on the state or fraudulent representation made to the state by a licensed dealer, or one of such dealer's representatives acting for the dealer, in his behalf, or within the scope of employment of such representatives, or shall suffer any loss or damage by reason of the violation of such dealer or representative of any of the provisions of Division 3 (commencing with Section 4000) of this code, or Part 5 (commencing with Section 10701), Division 2 of the Revenue and Taxation Code, the state or any political subdivision thereof, through the department, shall have a right of action against such dealer, his representative, and the surety upon the dealer's bond in an amount not to exceed the value of the vehicles involved.

(c) The failure of a dealer upon demand to pay the fees and penalties determined to be due as provided in Section 4456 hereof is declared to be a violation of Division 3 (commencing with Section 4000) of this code, and Part 5 (commencing with Section 10701), Division 2 of the Revenue and Taxation Code and to constitute loss or damage to the state in the amounts of such fees and penalties determined to be due and not paid.

(d) The claims of the State under subdivision (b) shall be satisfied first and entitled to preference over all claims under subdivision (a).

(e) The claims of any person under subdivision (a) who is not a licensee shall be satisfied first and entitled to preference over all other claims under subdivision (a).

(b) Should the dealer change to, or add another franchise for the sale of new vehicles, or cancel or, for any cause whatever, otherwise lose a franchise for the sale of new vehicles, he or she shall immediately so notify the department.

- (a) Make or disseminate, or cause to be made or disseminated, before the public in this state, in any newspaper or other publication, or any advertising device, or by public outcry or proclamation, or in any other manner or means whatever, any statement which is untrue or misleading and which is known, or which by the exercise of reasonable care should be known, to be untrue or misleading; or to so make or disseminate, or cause to be so disseminated, any statement as part of a plan or scheme with the intent not to sell any vehicle or service so advertised at the price stated therein, or as so advertised.
- (b) (1) (A) Advertise or offer for sale or exchange in any manner, any vehicle not actually for sale at the premises of the dealer or available to the dealer directly from the manufacturer or distributor of the vehicle at the time of the advertisement or offer. Autobrokering service advertisements may not advertise the price or payment terms of any vehicle and shall disclose that the advertiser is an autobroker or auto buying service, and shall clearly and conspicuously state the following: "All new cars arranged for sale are subject to price and availability from the selling franchised new car dealer."

- (g) Include, as an added cost to the selling price of a vehicle, an amount for licensing or transfer of title of the vehicle, which is not due to the state unless, prior to the sale, that amount has been paid by a dealer to the state in order to avoid penalties that would have accrued because of late payment of the fees. However, a dealer may collect from the second purchaser of a vehicle a prorated fee based upon the number of months remaining in the registration year for that vehicle, if the vehicle had been previously sold by the dealer and the sale was subsequently rescinded and all the fees that were paid, as required by this code and Chapter 2 (commencing with Section 10751) of Division 2 of the Revenue and Taxation Code, were returned to the first purchaser of the vehicle.

- (k) Advertise or otherwise represent, or knowingly allow to be advertised or represented on behalf of, or at the place of business of, the licenseholder that no downpayment is required in connection with the sale of a vehicle when a downpayment is in fact required and the buyer is advised or induced to finance the downpayment by a loan in addition to any other loan financing the remainder of the purchase price of the vehicle.
- (l) Participate in the sale of a vehicle required to be reported to the Department of Motor Vehicles under Section 5900 or 5901 without making the return and payment of the full sales tax due and required by Section 6451 of the Revenue and Taxation Code.
- (m) Permit the use of the dealer's license, supplies, or books by any other person for the purpose of permitting that person to engage in the purchase or sale of vehicles required to be registered under this code, or permit the use of the dealer's license, supplies, or books to operate a branch location to be used by any other person, whether or not the licensee has any financial or equitable interest or investment in the vehicles purchased or sold by, or the business of, or branch location used by, the other person.
- (n) Violate any provision of Article 10 (commencing with Section 28050) of Chapter 5 of Division 12.

Additional Unlawful Acts: Dealers

11713.1. It is a violation of this code for the holder of any dealer's license issued under this article to do any of the following:

- (a) Advertise any specific vehicle for sale without identifying the vehicle by either its vehicle identification number or license number.
- (b) Advertise the total price of a vehicle without including all costs to the purchaser at time of sale, except taxes, vehicle registration fees, ()¹ ***emission testing fees not exceeding fifty dollars (\$50), actual fees charged for certificates pursuant to Section 44060 of the Health and Safety Code***, finance charges, and any dealer document preparation charge. The dealer document preparation charge shall not exceed forty-five dollars (\$45).
- (c) Exclude from the newspaper display advertisement of a vehicle for sale that there will be added to the advertised total price at the time of sale, charges for sales tax, vehicle registration fees, the fee charged by the state for the issuance of any certificate of compliance or noncompliance pursuant to any statute, finance charges, and any dealer document preparation charge.

For purposes of this subdivision, “newspaper display advertisement” means any advertisement in a newspaper which is two or more newspaper columns in width or one newspaper column in width and more than seven inches in length.

- (d) Represent the dealer document preparation charge or certificate of compliance or noncompliance fee, as a governmental fee.
- (e) Fail to sell a vehicle to any person at the advertised total price, exclusive of taxes, vehicle registration fees, the fee charged by the state for the issuance of any certificate of compliance or noncompliance pursuant to any statute, finance charges, mobilehome escrow fees, the amount of any city, county, or city and county imposed fee or tax for a mobilehome, and any dealer document preparation charge, which charges shall not exceed forty-five dollars (\$45) for the document preparation charge and ()² ***not to exceed fifty dollars (\$50) for emission testing plus the actual fees charged for certificates pursuant to Section 44060 of the Health and Safety Code***, while the vehicle remains unsold, unless the advertisement states the advertised total price is good only for a specified time and the time has elapsed.
- (f) (1) Advertise for sale, sell, or purchase for resale any new vehicle of a line-make for which the dealer does not hold a franchise.
(2) This subdivision does not apply to any transaction involving any of the following:

In addition, whether or not there are sufficient vehicles in stock to supply a reasonably expectable demand, when phrases such as “starting at,” “from,” “beginning as low as,” or words of similar import are used in reference to an advertised price, the advertisement shall disclose the number of vehicles available at that advertised price.

For purposes of this subdivision, in any newspaper advertisement for a vehicle that is two model years old or newer, the actual phrase that states the number of vehicles in stock at the advertised price shall be (1) printed in a type size that is at least equal to one-quarter of the type size, and in the same style and color of type, used for the advertised price, however, in no case shall the phrase be printed in less than 8-point type size, and (2) be disclosed immediately above, below, or beside the advertised price without any intervening words, pictures, marks, or symbols.

The disclosure required by this subdivision is in addition to any other disclosure required by this code or any regulation regarding identifying vehicles advertised for sale.

- (j) Use the term “rebate” or similar words such as “cash back” in advertising the sale of a vehicle unless the rebate is expressed in a specific dollar amount and is in fact a rebate offered by the vehicle manufacturer or distributor directly to the retail purchaser of the vehicle or to the assignee of the retail purchaser.
- (k) Require a person to pay a higher price for a vehicle and related goods or services for receiving advertised credit terms than the cash price the same person would have to pay to purchase the same vehicle and related goods or services. - (p) Make any untrue or misleading statement indicating that a vehicle is equipped with all the factory installed optional equipment the manufacturer offers, including, but not limited to, a false statement that a vehicle is “fully factory equipped.”
- (q) Affix on any new vehicle a supplemental price sticker containing a price that represents the dealer’s asking price which exceeds the manufacturer’s suggested retail price unless all of the following occur:
 - (1) The supplemental sticker clearly and conspicuously discloses in the largest print appearing on the sticker, other than the print size used for the dealer’s name, that the supplemental sticker price is the dealer’s asking price, or words of similar import, and that it is not the manufacturer’s suggested retail price.
 - (2) The supplemental sticker clearly and conspicuously discloses the manufacturer’s suggested retail price.
 - (3) The supplemental sticker lists each item which is not included in the manufacturer’s suggested retail price, and discloses the additional price of each item. If the supplemental sticker price is greater than the sum of the manufacturer’s suggested retail price and the price of the items added by the dealer, then the supplemental sticker price shall set forth that difference and describe it as “added mark-up.”
- (r) Advertise any underselling claim, such as “we have the lowest prices” or “we will beat any dealer’s price,” unless the dealer has conducted a recent survey showing that the dealer sells its vehicles at lower prices than any other licensee in its trade area and maintains records to adequately substantiate the claims. The substantiating records shall be made available to the department upon request.
- (s) Advertise any incentive offered by the manufacturer or distributor if the dealer is required to contribute to the cost of the incentive as a condition of participating in the incentive program, unless the dealer discloses in a clear and conspicuous manner that dealer participation may affect consumer cost.

For purposes of this subdivision, “incentive” means anything of value offered to induce people to purchase a vehicle, including, but not limited to, discounts, savings claims, rebates, below-market finance rates, and free merchandise or services.

- (t) Display or offer for sale any used vehicle unless there is affixed to the vehicle the Federal Trade Commission’s Buyer’s Guide as required by Part 455 of Title 16 of the Code of Federal Regulations.
- (u) Fail to disclose in writing to the franchisor of a new motor vehicle dealer the name of the purchaser, date of sale, and the vehicle identification number of each new motor vehicle sold of the line-make of that franchisor, or intentionally submit to that franchisor a false name for the purchaser or false date for the date of sale.
- (v) Enter into a contract for the retail sale of a motor vehicle unless the contract clearly and conspicuously discloses whether the vehicle is being sold as a new vehicle or a used vehicle, as defined in this code.
- (w) Use a simulated check, as defined in subdivision (a) of Section 22433 of the Business and Professions Code, in an advertisement for the sale or lease of a vehicle.
- (x) Fail to disclose, in a clear and conspicuous manner in at least 10-point bold type on the face of any contract for the retail sale of a new motor vehicle that this transaction is, or is not, subject to a fee received by an autobroker from the selling new motor vehicle dealer, and the name of the autobroker, if applicable.

Additional Unlawful Acts

11713.2. It shall be unlawful and a violation of this code for any manufacturer, manufacturer branch, distributor, or distributor branch licensed under this code to coerce or attempt to coerce any dealer in this state:

- (a) To order or accept delivery of any motor vehicle, part or accessory thereof, appliance, equipment or any other commodity not required by law which shall not have been voluntarily ordered by the dealer.
- (b) To order or accept delivery of any motor vehicle with special features, appliances, accessories or equipment not included in the list price of such motor vehicles as publicly advertised by the manufacturer or distributor.
- (c) To order for any person any parts, accessories, equipment, machinery, tools, appliances, or any commodity whatsoever.
- (d) To participate in an advertising campaign or contest, any promotional campaign, promotional materials, training materials, showroom or other display decorations or materials at the expense of the dealer.
- (e) To enter into any agreement with the manufacturer, manufacturer branch, distributor, or distributor branch, or to do any other act prejudicial to the dealer by threatening to cancel a franchise or any contractual agreement existing between the dealer and manufacturer, manufacturer branch, distributor, or distributor branch. Additional Unlawful Acts; Vehicle Manufacturers and Distributors

11713.3. It is unlawful and a violation of this code for any manufacturer, manufacturer branch, distributor, or distributor branch licensed under this code to do any of the following:

- (a) To refuse or fail to deliver in reasonable quantities and within a reasonable time after receipt of an order from a dealer having a franchise for the retail sale of any new vehicle sold or distributed by the manufacturer or distributor, any new vehicle or parts or accessories to new vehicles as are covered by the franchise, if the

vehicle, parts, or accessories are publicly advertised as being available for delivery or actually being delivered. This subdivision is not violated, however, if the failure is caused by acts or causes beyond the control of the manufacturer, manufacturer branch, distributor, or distributor branch.

- (b) To prevent or require, or attempt to prevent or require, by contract or otherwise, any change in the capital structure of a dealership or the means by or through which the dealer finances the operation of the dealership, provided that the dealer at all times meets any reasonable capital standards agreed to by the dealer and the manufacturer or distributor, and also provided that no change in capital structure shall cause a change in the principal management or have the effect of a sale of the franchise without the consent of the manufacturer or distributor.
- (c) To prevent or require, or attempt to prevent or require, a dealer to change the executive management of a dealership, other than the principal dealership operator or operators if the franchise was granted the dealer in reliance upon the personal qualifications of such person or persons.
- (d) (1) Except as provided in subdivision (t), to prevent or require, or attempt to prevent or require, by contract or otherwise, any dealer, or any officer, partner, or stockholder of any dealership, the sale or transfer of any part of the interest of any of them to any other person or persons. No dealer, officer, partner, or stockholder shall, however, have the right to sell, transfer, or assign the franchise, or any right thereunder, without the consent of the manufacturer or distributor except that the consent shall not be unreasonably withheld.
- (2) (A) For the transferring franchisee to fail, prior to the sale, transfer, or assignment of a franchisee or the sale, assignment, or transfer of all or substantially all of the assets of the franchised business or a controlling interest in the franchised business to another person, to notify the manufacturer or distributor of the franchisee's decision to sell, transfer, or assign the franchise. The notice shall be in writing and shall include all of the following:
 - (i) The proposed transferee's name and address.
 - (ii) A copy of all of the agreements relating to the sale, assignment, or transfer of the franchised business or its assets.
 - (iii) The proposed transferee's application for approval to become the successor franchisee. The application shall include forms and related information generally utilized by the manufacturer or distributor in reviewing prospective franchisees, if those forms are readily made available to existing franchisees. As soon as practicable after receipt of the proposed transferee's application, the manufacturer or distributor shall notify the franchisee and the proposed transferee of any information needed to make the application complete.
- (B) For the manufacturer or distributor, to fail on or before 60 days after the receipt of all of the information required pursuant to subparagraph (A), or as extended by a written agreement between the manufacturer or distributor and the franchisee, to notify the franchisee of the approval or the disapproval of the sale, transfer, or assignment of the franchise. The notice shall be in writing and shall be personally served or sent by certified mail, return receipt requested, or by guaranteed overnight delivery service that provides verification of delivery and shall be directed to the franchisee. Any proposed sale, assignment, or transfer shall be deemed approved, unless disapproved by the franchisor in the manner provided by this subdivision. If the proposed sale, assignment, or transfer is disapproved, the franchisor shall include in the notice of disapproval a statement setting forth the reasons for the disapproval.
- (3) In any action in which the manufacturer's or distributor's withholding of consent under this subdivision or subdivision (e) is an issue, whether the withholding of consent was unreasonable is a question of fact requiring consideration of all the existing circumstances.
- (e) To prevent, or attempt to prevent, a dealer from receiving fair and reasonable compensation for the value of the franchised business. There shall be no transfer or assignment of the dealer's franchise without the consent of the manufacturer or distributor, which consent shall not be unreasonably withheld or conditioned upon the release, assignment, novation, waiver, estoppel, or modification of any claim or defense by the dealer.

- (f) To obtain money, goods, service, or any other benefit from any other person with whom the dealer does business, on account of, or in relation to, the transaction between the dealer and that other person, other than for compensation for services rendered, unless the benefit is promptly accounted for, and transmitted to, the dealer.
- (g) To require a dealer to prospectively assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by this article or to require any controversy between a dealer and a manufacturer, distributor, or representative, to be referred to any person other than the board, if the referral would be binding on the dealer. This subdivision does not, however, prohibit arbitration before an independent arbitrator.
- (h) To increase prices of motor vehicles which the dealer had ordered for private retail consumers prior to the dealer's receipt of the written official price increase notification. A sales contract signed by a private retail consumer is evidence of each such order. In the event of manufacturer price reductions, the amount of the reduction received by a dealer shall be passed on to the private retail consumer by the dealer if the retail price was negotiated on the basis of the previous higher price to the dealer. Price reductions apply to all vehicles in the dealer's inventory which were subject to the price reduction. Price differences applicable to new model or series motor vehicles at the time of the introduction of new models or series shall not be considered a price increase or price decrease. Price changes caused by either (1) the addition to a motor vehicle of required or optional equipment pursuant to state or federal law, or (2) revaluation of the United States dollar in the case of foreign-make vehicles, are not subject to this subdivision.
- (i) To fail to pay to a dealer, within a reasonable time following receipt of a valid claim by a dealer thereof, any payment agreed to be made by the manufacturer or distributor to the dealer by reason of the fact that a new vehicle of a prior year model is in the dealer's inventory at the time of introduction of new model vehicles.
- (j) To deny the widow or heirs designated by a deceased owner of a dealership, the opportunity to participate in the ownership of the dealership or successor dealership under a valid franchise for a reasonable time after the death of the owner.
- (k) To offer any refunds or other types of inducements to any person for the purchase of new motor vehicles of a certain line-make to be sold to the state or any political subdivision thereof without making the same offer to all other dealers in the same line-make within the relevant market area.
- (l) To modify, replace, enter into, relocate, terminate or refuse to renew a franchise in violation of Article 4 (commencing with Section 3060) of Chapter 6 of Division 2.
- (m) To employ a person as a representative who has not been licensed pursuant to Article 3 (commencing with Section 11900) of Chapter 4 of Division 5.
- (n) To deny any dealer the right of free association with any other dealer for any lawful purpose.
- (o) To compete with a dealer in the same line-make operating under an agreement or franchise from a manufacturer or distributor in the relevant market area. A manufacturer or distributor shall not, however, be deemed to be competing when operating a dealership either temporarily for a reasonable period, or in a bona fide retail operation which is for sale to any qualified independent person at a fair and reasonable price, or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions. A distributor shall not be deemed to be competing when a wholly owned subsidiary corporation of the distributor sells motor vehicles at retail, if, for at least three years prior to January 1, 1973, the subsidiary corporation has been a wholly owned subsidiary of the distributor and engaged in the sale of vehicles at retail.
- (p) To unfairly discriminate among its franchisees with respect to warranty reimbursement or authority granted its franchisees to make warranty adjustments with retail customers.
- (q) To sell vehicles to persons not licensed under this chapter for resale.
- (r) To fail to affix an identification number to any park trailer, as described in subdivision (b) of Section 18010 of the Health and Safety Code, which is manufactured on or after January 1, 1987, and which does not clearly identify the unit as a park trailer to the department. The configuration of the identification number shall be approved by the department.

- (s) To dishonor a warranty, rebate, or other incentive offered to the public or a dealer in connection with the retail sale of a new motor vehicle, based solely upon the fact that an autobroker arranged or negotiated the sale. This subdivision shall not prohibit the disallowance of that rebate or incentive if the purchaser or dealer is ineligible to receive the rebate or incentive pursuant to any other term or condition of a rebate or incentive program.
- (t) To exercise a right of first refusal or any other right requiring a franchisee or any owner thereof to sell, transfer, or assign to the franchisor, or to any nominee of the franchisor, all or any material part of the franchised business or of the assets thereof unless all of the following requirements are met:
 - (1) The franchise authorizes the franchisor to exercise a right of first refusal to acquire the franchised business or assets thereof in the event of a proposed sale, transfer or assignment.
 - (2) The franchisor gives written notice of its exercise of the right of first refusal no later than 45 days after the franchisor receives all of the information required pursuant to subparagraph (A) of paragraph (2) of subdivision (d).
 - (3) The sale, transfer, or assignment being proposed relates to not less than all or substantially all of the assets of the franchised business or to a controlling interest in the franchised business.
 - (4) The proposed transferee is neither a family member of an owner of the franchised business, nor a managerial employee of the franchisee owning 15 percent or more of the franchised business, nor a corporation, partnership, or other legal entity owned by the existing owners of the franchised business. For purposes of this paragraph, a “family member” means the spouse of an owner of the franchised business, the child, grandchild, brother, sister, or parent of an owner, or a spouse of one of those family members. Nothing contained in this paragraph limits the rights of the franchisor to disapprove a proposed transferee as provided in subdivision (d).
 - (5) Upon the franchisor’s exercise of the right of first refusal, the consideration paid by the franchisor to the franchisee and owners of the franchised business shall equal or exceed all consideration that each of them were to have received under the terms of, or in connection with, the proposed sale, assignment, or transfer, and the franchisor shall comply with all the terms and conditions of the agreement or agreements to sell, transfer, or assign the franchised business.
 - (6) The franchisor shall reimburse the proposed transferee for any expenses paid or incurred by the proposed transferee in evaluating, investigating, and negotiating the proposed transfer to the extent those expenses do not exceed the usual, customary, and reasonable fees charged for similar work done in the area in which the franchised business is located. These expenses include, but are not limited to, legal and accounting expenses, and expenses incurred for title reports and environmental or other investigations of any real property on which the franchisee’s operations are conducted. The proposed transferee shall provide the franchisor a written itemization of those expenses, and a copy of all nonprivileged reports and studies for which expenses were incurred, if any, within 30 days of the proposed transferee’s receipt of a written request from the franchisor for that accounting. The franchisor shall make payment within 30 days of exercising the right of first refusal.
- (u) To unfairly discriminate in favor of any dealership owned or controlled, in whole or part, by a manufacturer or distributor or an entity that controls or is controlled by the manufacturer or distributor. Nothing in this subdivision shall be interpreted to prohibit a franchisor from granting a franchise to prospective franchisees or assisting those franchisees during the course of the franchise relationship as part of a program or programs to make franchises available to persons lacking capital, training, business experience, or other qualifications ordinarily required of prospective franchisees.

Refund of Excess Fees by Dealer

11713.4. If a purchaser of a vehicle pays to the dealer an amount for the licensing or transfer of title of the vehicle, which amount is in excess of the actual fees due for such licensing or transfer, or which amount is in excess of the amount which has been paid, prior to the sale, by the dealer to the state in order to avoid penalties that would have accrued because of late payment of such fees, the dealer shall return such excess amount to the purchaser, whether or not such purchaser requests the return of the excess amount.

The licensee shall retain a copy of the form, which shall be signed by the purchaser prior to entering into any sales contract, indicating that the purchaser has received a copy of the form.
